

CITY OF BRYAN FIRE DEPARTMENT

2018 ANNUAL REPORT

INTRODUCTION

We are pleased to submit, the annual report for the City of Bryan Fire Department for 2018. The information presented here is just a small glimpse of the activities performed by the Fire Department this past year.

The Fire Department is responsible for providing fire suppression, emergency medical care, rescue, special operations and related services to the public. The mission of the Fire Department is in the following statement:

The City of Bryan Fire Department is dedicated to providing the highest level of emergency services to the residents and visitors of our community. The Department protects lives and properties through fire suppression, fire prevention, public education, response to natural and man-made disasters and the rescue of trapped, lost or injured persons. The City of Bryan Fire Department is dedicated to assisting, to the best of our ability, other governmental agencies in the completion of their mission.

Our Vision

The City of Bryan Fire Department seeks to be a respected and productive organization in the City and surrounding communities, by providing the most professionally trained and experienced personnel with the necessary apparatus and equipment to complete our mission in an efficient and effective manner.

Core Values

The core values of the City of Bryan Fire Department are *dedication, integrity, professionalism, respect, and service*.

Dedication: Dedication is what compels us to serve. It is what drives us to meet every situation faced with, head-on and to be successful.

Integrity: Our customers trust us. We are called when people are in desperate situations. They rely on our prompt response to their need. Our members strictly adhere to the highest moral and ethical standards of conduct both on and off the job.

Professionalism: The members of the City of Bryan Fire Department will always reflect our core values. Our appearance, attitude, skill, abilities, caring and compassion will inspire those around us and will instill confidence and trust to those we serve.

Respect: We treat everyone with respect. In order to respect others we must first respect ourselves, or fellow firefighters and our department. We take a great deal of pride, pleasure, and satisfaction for the work that we do for the City of Bryan.

Service: Service to the public is a noble and responsible calling. Our members consider it a privilege to serve the citizens and visitors of the City of Bryan and outlying communities.

Thanks to Mayor Schlade, City Council, all the members of the Fire Department, and the Citizens of our great City for their continued efforts and support to make our Fire Department the best in Northwest Ohio.

Bruce R. Siders, Fire Chief

EMERGENCY ACTIVITY

The City of Bryan Fire Department provides services 24 hours a day 365 days a year through our combination Fire Department. The Department currently employs a Career staff of Fire Chief, Assistant Fire Chief, and six Firefighters. The Department currently has 16 Paid-on-Call Firefighters and our Volunteer Chaplain totaling 25 members. Presently Career personnel staff the station from 6 AM to 6 PM seven days a week. Our Paid-on-Call staff respond as available during these hours also. During the hours when the station is not staffed, the Fire Department utilizes a response from the Paid-on-Call staff, and overtime from the Career personnel.

In 2018, The City of Bryan Fire Department responded to 451 calls for service, an 11% increase from 2017.

Of the 451 requests for service in 2018, 51 of the calls were classified as fires, which represents just over 11% of the total activity for the Fire Department. The following chart shows the types of calls responded to by the Fire Department and the percent of activity for each call type.

Type of Incident	Total for Year	Percentage of Activity
Fire	51	11.31%
Overpressure Rupture, Explosion, Overheat (no fire)	5	1.11%
EMS Assist	65	14.41%
First Responder	44	9.76%
Vehicle Accidents	53	11.75%
Jaws of Life	9	2.00%
Other Rescues	5	1.11%
Hazardous Condition (No Fire)	49	10.86%
Service Call	25	5.54%
Good Intent Call	85	18.85%
False Alarm & False Call	56	12.42%
Severe Weather & Natural Disaster	2	0.44%
Special Incident	2	0.44%
	451	100.00%

EMERGENCY ACTIVITY

The following charts represent a 10-year comparison of calls by type. Through trending and analyzing our types of calls, the Fire Department is able to see the needs of the community, adjust our operation to meet those needs and successfully meet our mission.

EMERGENCY ACTIVITY

EMERGENCY ACTIVITY

EMERGENCY ACTIVITY

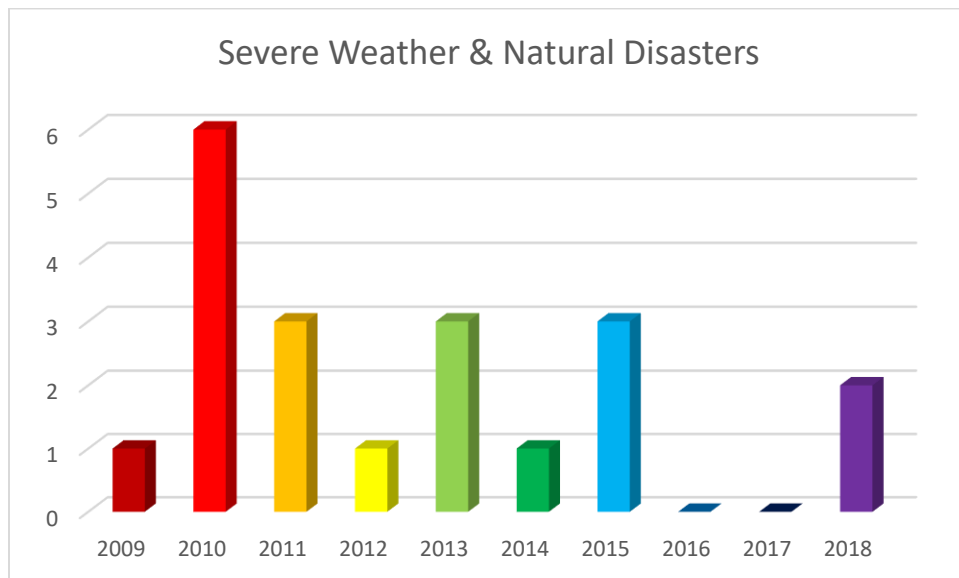

EMERGENCY ACTIVITY

The Fire Department not only has responsibilities within the City of Bryan, but also in the adjoining Townships that surround the City through fire protection contracts. In 2018, 64 percent of our call volume came from inside the City, which is a 7 percent increase from 2017. Center Township is up 1 percent from last year. Jefferson Township had no increase in call volume from last year, while Pulaski Township saw a 2 percent increase in 2018. The County Home and surrounding County properties seen a 2 percent decrease in calls for service. The remaining activities was to our neighboring communities through Automatic Aid and Mutual aid, which is up 2 percent from 2017.

EMERGENCY ACTIVITY

The following charts represent a 10-year comparison of calls by District. These charts help further explain where our calls for service are at and what the trend is. Additionally these charts assist the Fire Department in determining the fire protection contracts with the County and Townships.

EMERGENCY ACTIVITY

EMERGENCY ACTIVITY

EMERGENCY ACTIVITY

In 2018, the average time for the first fire apparatus to respond to all calls for service was three minutes forty-seven seconds. In addition, the total number of hours spent on calls in 2018 was 444 hours. The average time spent on an individual call in 2018 was 59 minutes. The Fire Department is always striving to improve as we provide service to our community. The Fire Department's aim is to improve our service level and ensure that our responses meet the needs of the community. This is accomplished by reviewing current operations, our training needs, operational planning, confirming automatic mutual aid and continued development of our combination department.

**10 Year Comparison of Response Times for
All Calls From Time of Dispatch to Time of Arrival**

EMERGENCY ACTIVITY

Assisting our neighboring communities is an important aspect of the Fire Department. As we have seen, no Fire Department has all of the necessary resources to handle many of our calls for service. Through Automatic Aid and Mutual Aid, we are able to help and receive help from our neighbors to meet their mission and ours. Last year our Firefighters were dispatched 5 times for automatic aid and 16 times for mutual aid with neighboring departments. The Fire Department received help from neighboring departments 19 times for automatic aid and 6 times for mutual aid.

The one question that is often asked is, what is your busiest day and are you more busy in the winter time? The short answer is the Fire Department is always busy. Typically we have a call for service every day. Our current average call volume is 37.58 calls per month. This is a 11 percent increase from a year ago. The following charts will give you a glimpse of the busiest days for 2018, a 10 year comparison by day of the week and finally our calls by time of day and a 10 year average.

EMERGENCY ACTIVITY

FIRES

The Fire Department responded to 51 fires in 2018, down slightly from 2017. Of the 51 classified fires, 36 fires received a dollar loss. 25 were building fires, 9 vehicle fires, and 2 other classified fires such as dumpster fires and power poles, etc. In 2018, our dollar loss in property and contents totaled an estimated \$365,819.00. This accounts for 8% of the total estimated property value involved. Firefighters saved an estimated \$4,003,300.00 in involved property last year or 92%. We unfortunately had one fire death last year. There were 5 five civilian injuries last year due to fire. There were 3 firefighter injuries in 2018.

10 Year Comparison of Dollar Loss			
Year	Property Value	Loss	Property Saved
2009	2,427,585	412,560	2,015,025
2010	13,771,040	335,020	13,436,020
2011	27,249,400	122,670	27,126,730
2012	2,417,520	360,128	2,057,392
2013	1,873,750	127,800	1,745,950
2014	6,746,250	200,795	6,545,455
2015	3,237,224	1,125,139	2,112,085
2016	14,416,290	624,800	13,791,490
2017	12,168,740	289,410	11,879,330
2018	4,369,149	365,849	4,003,300
	-----	-----	-----
Average	\$8,867,695	\$396,417	\$8,471,278

FIRE PREVENTION

Our Fire Prevention Section has multiple responsibilities within the Fire Department. The main focus is the prevention of fires, and to provide for the safety of our citizens. This is accomplished through public education, building plan review, and code enforcement. The Fire Department works in conjunction with the Engineering Department and Bryan Municipal Utilities to ensure that new construction meets the minimum fire safety requirements. Existing commercial, industrial, and educational facilities are inspected on a regular basis. Home inspections are also conducted if requested by the home owner. Last year 104 fire inspections were completed and 51 code violations were corrected. The Fire Prevention Section also completed six plan reviews for new or renovation construction.

Fire Safety programs are an important part of Fire Prevention. Fire Department Personnel deliver programs to many different groups in the community including schools, businesses, industry, community groups, and neighborhood associations. The Fire Safety message is also delivered to tour groups that visit the Fire Station. Last year 56 programs was delivered in our community and response area reaching over 3,100 adults and children.

2018 Annual Report

TRAINING

Our Training section is tasked with providing training not only to our firefighters but also through our training academy to area fire departments and firefighters. Training of Fire Department members is probably one of the most important aspects of the Fire Department. Fire Department personnel are required to maintain their professional licensures through continuing education. We are always providing ongoing and comprehensive training topics that enhance our Firefighter's knowledge and give them the tools and resources that they need to be prepared for our multifaceted environment.

Fire Department members participated in 3,676 hours (staff hours) of training last year or an average of 147 hours per Firefighter. Topics covered included driver's training, pump operation, safety & survival, fireground operations, ladders, forcible entry, hazardous materials, vehicle extrication, confined space, rope rescue, EMS, and many more.

Our Fire Department has a State of Ohio Training Charter through the Ohio Department of Public Safety. The Training Academy was very busy last year, training Firefighters, from our department and from neighboring

departments in the County and throughout the Northwest Ohio area. The Training Academy offered and delivered training programs in Firefighter I, and Firefighter II certification. As well as hosting Hazardous Materials, Confined Space, Vehicle Extrication, and other types of training attended by our firefighters and other firefighters from around the area.

SPECIAL ACTIVITIES

The Fire Department participates in many special activities throughout the community. We use this opportunity to promote public education on fire safety as well as general safety. Participation in these events allows the Fire Department to convey critical messages that aid in our prevention efforts to minimize the loss when a fire occurs. The Department will continue to participate in community and organizational events in order to promote the fire prevention message and to provide good public relations with the citizens of our community.
