Policy 113.0
Bridge Weight Limits

Purpose:

Numerous bridges in Williams County and Defiance County have weight reductions due to the condition of those bridges. Several of these bridges are in the Bryan Fire Department's fire and rescue protection area.

Policy:

All Bryan Fire Department vehicles have a Williams and Defiance County map which have been marked with those bridges in the Counties which that particular Bryan Fire Department vehicle **CAN NOT CROSS** due to weight restrictions.

The driver and officer in charge of each fire department vehicle which responds outside of the City of Bryan **SHALL** check the maps to determine the best direction of response, so as not to cross any of the bridges with weight restrictions.

This Policy will apply to all locations in Williams County and Defiance County, including Mutual Aid districts.

All fire department personnel shall review the maps and become familiar with those bridges in our area.
