Administrative Regulations  
Policy 120.0  
Fire Apparatus Driver Operator

### **Purpose:**

The purpose of this Policy is to establish requirements for fire apparatus driver/operators within the City of Bryan Fire Department. Additionally, this policy is established to meet to the best of our ability, the requirements of the City's insurance carrier, the International Service Organization (ISO), The National Fire Protection Association Standard for Emergency Vehicle Driver/Operator document NFPA 1002, and the Volunteer Fireman's Insurance Service (VFIS).

### **Policy:**

All department personnel shall meet and maintain the criteria as set forth in the Fire Apparatus Driver/Operator Training Program for the City of Bryan Fire Department.

Chief Officers shall be exempt from the requirement of Class I, Class II and Class III qualifications except for the following:

- A valid State of Ohio Driver's License
- A Bureau of Motor Vehicle Driver's License check within the previous 12 months
- A medical evaluation within the previous 12 months
