

# ACTIVITY REPORT

FOR JULY 2020

FIRE CHIEF BRUCE R. SIDERS

## A Letter from the Chief

Summer is the time when we are outdoors having cookouts, being with friends and family and having a good time. This year though we have to consider the virus that is with us. While we will still have these gatherings, it is important that we remain vigilant and take precautions to ensure everyone's safety. Please remember to wash your hands frequently, try to keep that six feet of separation, and of course wear your mask.

Your Fire Department continues to respond to your needs. Calls for service in July stayed the same as June, 35. July also had saw an increase in the number of calls as compared to last year. To this point, your fire department has responded to 253 calls for service for 2020. Based on current data our current call volume is down overall 49 calls compared to the same time last year. We continue to be on course for our annual call volume of 400 + calls for service.

Now is also a good time to practice your fire escape plan with your family as with the summer months the kids are at home. Also with the warmer weather comes severe storms. So, go over your severe weather plan.

Please stay safe and healthy this summer.

Sincerely,

A handwritten signature in black ink that reads "Bruce R. Siders". The signature is written in a cursive style with a large, looped "B" and "S".
