ACTIVITY REPORT
FOR MAY 2022

FIRE CHIEF DOUGLAS A POOL

A Letter from the Chief

Summer is here. It is time for grilling and BBQ. Have a safe summer by following simple safety tips. Keep a 3-foot clear area around the grill. Never add charcoal lighter fluid or other flammables to the fire. For more tips, visit the NFPA Grill Safety Tips at Grilling_safety_Tips.pdf (nfpa.org).

Summer heat can bring summer storms. Have a plan for severe weather. Be prepared to take shelter in the event of a sudden change in weather. Get a weather forecast before heading out. More from the National Weather Service at Severe Thunderstorm Safety (weather.gov)

With a recent change to Ohio law, consumer grade fireworks will be legal to possess and discharge without a license or permit. This change takes effect on July 1st, 2022. Final rules developed by the Ohio State Fire Marshal are under review. Ohio Fire Code will define dates, times and safe distances from buildings and people for legal discharge of consumer grade fireworks. The safest practice is to leave fireworks to the professionals. Enjoy fireworks displays and community events. See you at Day in the Park on June 25th. If you are planning to discharge consumer grade fireworks, please follow all laws and safety guidelines. For additional guidance on safe use of fireworks visit NFPA - Fireworks.

Have a safe and enjoyable summer.

Sincerely,

Fire Chief Douglas A. Pool
