

ACTIVITY REPORT

FOR JULY 2022

FIRE CHIEF DOUGLAS A POOL

A Letter from the Chief

As summer fun continues, stay safe and prepared. We haven't seen severe weather, but have a plan when it comes. The National Weather Service has some great tips at their website. Check them out at [Weather Safety](#).

Check you smoke detectors and carbon monoxide detectors at least once a month to ensure they will sound. Smoke and carbon monoxide detectors should be replaced after 10 years regardless of their power source. The State Fire Marshal has suggested smoke detectors over 10 years ago be replaced with 10 year sealed battery smoke detectors.

Drive safely Remember it won't be long and schools will be open.

Sincerely,

A handwritten signature in black ink, appearing to read "D. A. Pool". The signature is fluid and cursive, with the first name "D." and last name "Pool" being more prominent than the middle initial "A.".
