### Media Release 11/9/2022

Due to massive contamination and material market instability, effective Friday, November 11, 2022, WiltonKeck Recycling will **NO longer accept** the following items:

- **#1 & #2 Plastic Bottles**
- **Aluminum Beverage Cans**
- **Steel Food Cans**
- **Glass**

WiltonKeck Recycling will continue to accept the following items in recycling bins:

- **Corrugated Cardboard**
- **Magazines**
- **Newspapers**
- **Office Paper**

\*\* Drop off area is monitored by 24-hour security cameras. Persons leaving any items other than corrugated cardboard, magazines, newspapers, and office paper in the proper receptacles will be referred to the Bryan Police Department \*\*

\*\* These items may be discontinued as well dependent upon the level of contamination within and around collection bins \*\*

\*\* WiltonKeck Recycling is and will always be stewards of our environment and will always recommend recycling. Persons inside the City of Bryan, we highly recommend using your recycling container for your recyclable materials as mixed materials are shipped to a material recovery facility that is equipped to handle ALL these products in a much more efficient manner \*\*
