ACTIVITY REPORT
FOR DECEMBER 2022

FIRE CHIEF DOUGLAS A. POOL

A Letter from the Chief

At the end of the first year as Fire Chief, the changes over the past year and become "normal" as well as changes to world events have normalized. We look forward to stability and are thankful for the successes in 2022.

The winter weather can change quickly. Bitter cold warming to rain and changing back to snow. Ice build-up on roads and sidewalks can be nearly invisible creating hazardous condition whether driving or walking. The National Weather Service has some great tips at their website. Check them out at Weather Safety. Please drive safely.

While snowfall totals have been low and melted away, this is unlikely to last. Please ensure that exits remain passible after a new snowfall. Consider adopting a fire hydrant near you. Shoveling snow away from a fire hydrant keeps the hydrant ready for emergencies saving the fire department valuable time.

Sincerely,

Fire Chief Douglas A Pool
