ACTIVITY REPORT
For February 2023

FIRE CHIEF DOUGLAS A POOL

A Letter from the Chief

The weather in February was unpredictable as usual. From snow, freezing rain and flooding added challenges to our responses. Once again, third of the responses are for rescues and EMS. Another third are unintentional false alarms and calls with good intent where no emergency was found after investigation.

We are happy to have received two grants for equipment. The $43,860.87 MARCS grant from the State Fire Marshal will put additional mobile radios in our fleet and put portable radios in the hands of responder. Communication on the fire ground is key to safe operations. The $33,375.00 grant from Ohio Bureau of Workers Compensation will be used to replace obsolete extrication equipment.

As we prepare for spring, be ready for severe storms. Check your emergency kit and update your weather alert contact information. Visit Alert86.com to add or update contact information on the Williams County notification system.

Welcome to our newest fulltime staff member, Firefighter Beau Zuver. He fills a vacancy that opened in January. Vacancies remain for paid on call firefighters. Fulltime staff rely on the additional part time and paid on call staff to respond to emergencies 24 hours a day 7 days a week. Thanks to all that serve.

Be safe.

Sincerely,

Fire Chief Douglas A. Pool
