

# ACTIVITY REPORT

FOR NOVEMBER 2023

FIRE CHIEF DOUGLAS A POOL

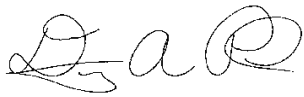

## A Letter from the Chief

We have changed our data management system. The monthly report has a new look. As we add to the new system, the report may change. Some of the data is easier to present in graphic format and will allow us to show trends over time.

As the holiday season is on us, make sure to decorate with care. We love the Christmas lights, but don't want to see them start a yule tide fire. Make sure not to overload wiring. If you have a live tree, make sure it's fresh and watered. When the needles dropping off is an indication of a dry tree. Consider using battery-operated candles in place of traditional candles. Visit [NFPA - Winter holidays](#) for more information.

Looking for a gift, how about a new smoke/carbon monoxide detector or fire extinguisher to protect that special someone. Have a safe and joyous holiday season.

Sincerely,

A handwritten signature in black ink, appearing to read "D.A. Pool". The signature is written in a cursive, flowing style with some loops and flourishes.

Fire Chief Douglas A. Pool
