PROGRAM**

Support the Fountain City Amphitheater

For the past five years, the Fountain City Amphitheater has been proud to bring free, high-quality entertainment to Bryan and the surrounding area. Thanks to the generosity of 58 businesses, individuals, and

families, our 2025 season was a wonderful success. Together, we hosted 30 events with more than 6,000 attendees and raised \$87,000 to cover expenses. Every dollar we raise goes right back into the community—supporting bands, professional sound engineers, performer travel and lodging, marketing, and equipment. Simply put, your support makes everything we do possible. Looking ahead to 2026, we're starting our fundraising earlier so we can bring you another amazing season. We plan to host six concerts along with family-friendly events, comedy nights, story times, fitness classes, worship gatherings, and showcases of local talent. Your early gift is vital to keeping these programs free and ensuring we can bring top-quality entertainment to Bryan. Your donation is fully tax-deductible and will have a direct impact on our community. Most importantly, it helps make Bryan a more vibrant place to live, work, and play. Thank you for being part of our story—we can't wait to see you at the Amphitheater next summer!
